

Additional Reviews and SIR Status

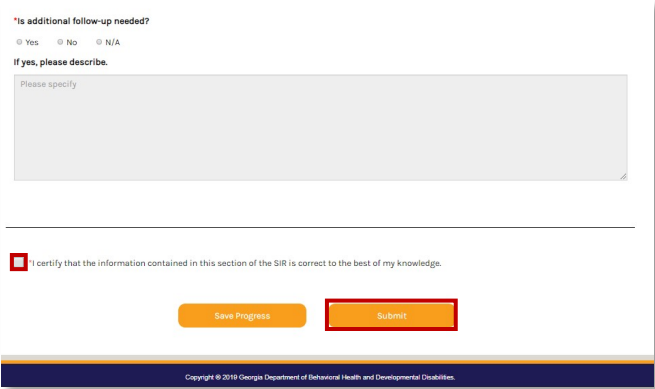

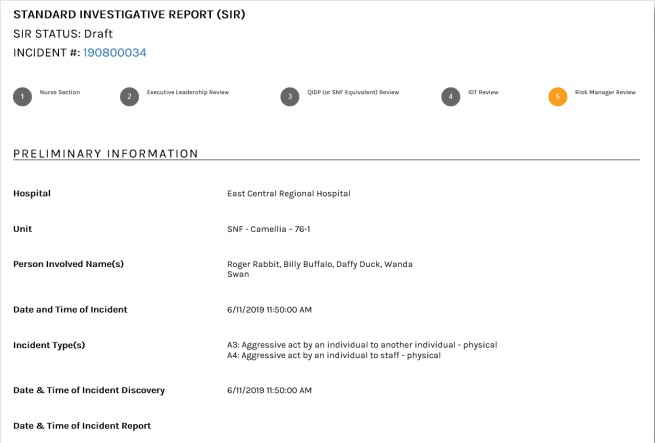

SUMMARY

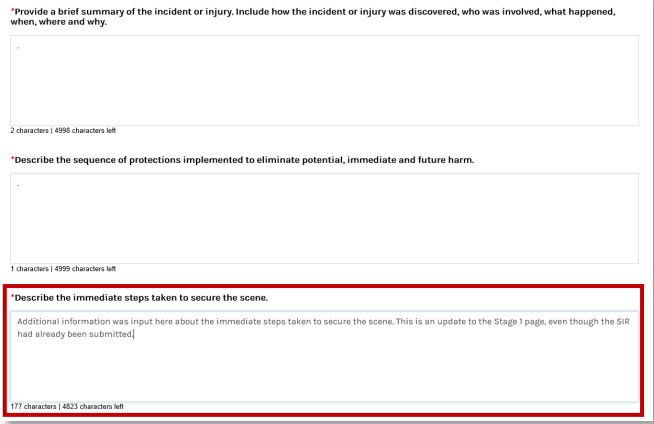

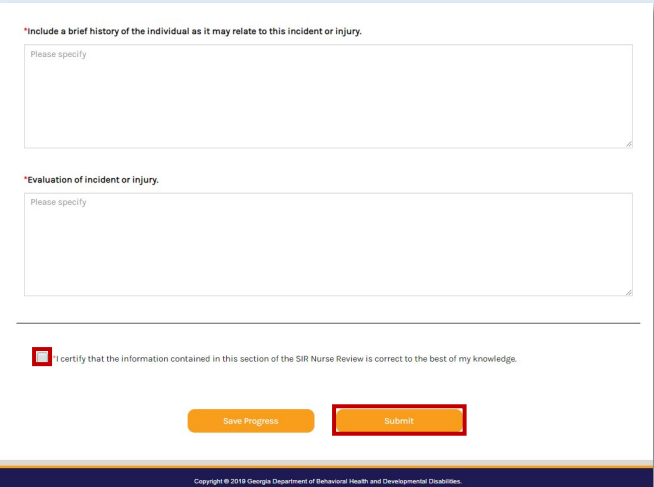

This job aid covers how to review and check the SIR Status in Image.

Phase	Action	Visual
1	If, during the completion of the Stage 2 page of an SIR, the Full SIR Needed checkbox is selected, Stages 3, 4, and 5 must be completed and submitted.	
2	The format of these stages is the same as Stages 1 and 2. That is, the PRELIMINARY INFORMATION section will be auto-filled, and the rest of the form consists of a series of questions specific to the type of review.

8	<p>If changes are made, the status of the SIR reverts back to Draft, and the person making the change or changes will have to re-certify and submit the SIR.</p> <p>For example, the Risk Manager could return to Stage 1 to add more details about the immediate steps that were taken to secure the scene.</p>	
8a	<p>Once that field has been updated, the Risk Manager would need to re-certify that the information is correct and re-submit the SIR.</p>	
9	<p>When required SIR stages have been completed and submitted, the SIR status will change to "Submitted" on the SIR and Incident Overview screens.</p>
